

Dear ETC friends and colleagues,

Tbilisi International Festival of Theatre has a pleasure to represent full program 2015.

[TBILISI INTERNATIONAL](#) is founded by initiative of Tbilisi Municipality in 2009. Charm of one of the oldest cities in the world - Tbilisi - its atmosphere and diversity, its culture and life, its vitality is something that could create unforgettable experience and inspiration for all participants.

“... The Festival's program, repertoire is interesting, thought-provoking ... The Festival made for a full picture of status and tendencies in the global dramatic art to emerge.

“Tbilisi International” is a combiner, a link or a bridge between Theater of Europe and Theater of Asia...”

The Festival runs every year and is one of the major events in International life of Georgia. But not only - it is becoming one of the main performing arts events in Caucasia, attracting attention of the most well-known, creative, provocative and innovative theater productions from the world.

TBS INTERNATIONAL is:

- INTERNATIONAL PROGRAM (since 2009)
- INTERNATIONAL PROGRAM "NEW" (since 2011)
